### This Sunday's Lessons:

### Introduction

The gospel for the third Sunday of Easter is always one in which the risen Christ shares food with the disciples, meals that are the Easter template for the meal we share each Sunday. In today's gospel, Jesus both shares the disciples' food and shows them the meaning of his suffering, death, and resurrection through the scriptures, the two main elements of our Sunday worship.

### Readings and Psalm

#### Acts 3:12-19

*Health and forgiveness through the risen Jesus*

#### Psalm 4

*The Lord does wonders for the faithful. (Ps. 4:3)*

#### 1 John 3:1-7

*The revealing of the children of God*

#### Luke 24:36b-48

*Eating with the risen Christ*

### **Who is COS?**

In December, Church of the Savior was awarded a grant to participate with ten other congregations across the country in a project called Funding Forward. Funding Forward is a project built on listening to your community and the community you serve for new ways to create income streams while staying within the mission of your congregation. Pastor Paul Miller and Stewardship Chair, Maggie Harrer have been in attendance.

An initial suggestion is an outreach effort is to listen to our congregation and our neighborhood, our community, and see what people are saying is needed.

In order to begin that process, we would like to send a questionnaire out to the entire congregation with only 4 simple questions:

1. Who is COS-Lutheran?
2. Who is our community
3. Who do we serve?
4. What do you think we could do now, as a congregation, to do something concrete for our community? Please be specific

We ask you to follow the link and answer these questions. These questions are intentionally open-ended and free form.

Follow this link to answer the questions: [Funding Forward Survey](#)

Thank you in advance for participating in this survey.

### **Items needed for the Nursery School:**

The nursery school is looking for donations of lysol spray. If you could pick up a can or two the next time you are shopping that would be appreciated.
