Magnificent May!

Happy Mother's Day!

Dear Families,

I hope this newsletter finds you well! My wish is that those April showers will bring May flowers to everyone! The month of May brings us so many things to celebrate. Cinco de Mayo, Mother's Day, and Memorial Day! In addition, we will be celebrating Teacher Appreciation Week, the week of May 6-10. Thank you to the class moms for organizing and providing the teachers with a special luncheon on Wednesday, May 1. A special thanks to Mrs. Mendoza for preparing the delicious food that she is notorious for providing us with. We are looking forward to enjoying it!

Our Earth Day celebrations went beautifully, thanks to all the teachers, and Pastor for blessing our planting and butterfly garden! The four-year old classes made cool projects to highlight and reinforce recycling. We hope that the children learned how important it is to keep our planet clean and beautiful.

It's hard to believe that the school year is winding down already. With that being said, please make sure that if you plan on registering your child for next year, that you do so sooner rather than later. This will enable you to choose the times and classes that you want, as classes are filling up. We will also be holding an open house, on Thursday, May 16.

Please make a note that our summer camp registration is now open as well! This summer we will be adding a junior camp, for those children between the ages of 2 ½ and 3 years of age! We have some fun themes planned for this year's summer camp.

Just a reminder, if your child will be absent, please make sure that you notify the office, so that we can maintain proper records and have an accurate count of the number of children we have in the building. This is a state requirement.

Stay well and safe everyone.

Best,

Alex Cavaliere

Principal

A Mother's Day Prayer

Lord, on this day in which we honor mothers, may we love and cherish the special women who have born us, who have nurtured us, and who have prayed for our well-being. May our hearts overflow with gratitude to you, who formed and knitted each of us in a mother's womb. We pray you give each mom strength. We ask you to be the daily bread of tired mothers. May each mother find rest in you. Amen.
