HAPPY TIMES

The Happy Times Class & Parent Club is an introduction to Church & School of the Savior for both child & parent. Children will experience group & independent play. Parent stays on-site interacting with other parents/caregivers!

The class will meet on Tuesdays & Thursdays, from 9:30a-11:00am for a 6-week session. There will be one facilitator and one assistant per class up to 6 children. Children should be 18-30 mos. and getting ready to enroll in the All By Myself 2 $\frac{1}{2}$ year old class.

Parents attend the Happy Times class for the first 20-30 minutes then remain nearby to assist children when necessary. Parents/caregivers and facilitator meet to engage in a lively topical discussion. The facilitator will lead the discussion; at the first class various topics will be explored.
