

Church of the Savior Preschool Principal's Corner Newsletter

February 2025

Full of love February

Happy Valentine's Day!

Dear Families,

I hope this newsletter finds you well. It's hard to believe that the month of January is now behind us. We started off the new year in style, with our theme week dedicated to The Bronx Zoo! We hope that you and the children enjoyed touring all the amazing animals and habitats that the staff and children created and learned about. We all learned so much about some of the amazing animals on display, including but not limited to, gorillas, giraffes, flamingos, bears, birds, reptiles, and many more. The creativity and attention to detail that the staff puts forth never ceases to amaze me!

This month we will be celebrating the 100th Day of School, Valentine's Day, and Dental Health month! I have always wondered if it was a coincidence that Valentine's Day and Dental Health month are both celebrated in the month of February! The classes have been counting days since the beginning of school, and we are looking forward to seeing the creative and different ways that students have counted to 100, and what objects they have chosen. Valentine's Day is always special here at COS. Students will enjoy parties with their classes while handing cards and goodies to each of their friends to express their love and friendship. We will also be having a visit from Dr. Andrea Mattia's dental office to speak to the children about how to take care of their teeth. This is always a lot of fun.

Planning is always underway here, and our summer camp themes have been decided for this upcoming summer! Look for more information to come. Registration starts soon.

There are a lot of illnesses currently circulating, please be mindful of everyone and make sure that if your child is exhibiting any signs or symptoms of illness, to please keep them home and notify us. We want everyone to stay healthy.

Just a reminder, if your child is absent, please make sure that you notify the office, so that we can maintain proper records and have an accurate count of the number of children we have in the building. This is a state requirement.

Stay well and safe everyone.

Best,

Alex Cavaliere

Dates to remember:

February 14-Valentines Day Parties, all classes, and Pizza Friday!

February 17-21-Winter Break-No school

February 24-100th Day of School, and visit from Dr. Mattia's dental office, for dental health week

February 25-Happy Times classes begin for session 4

February 28-Fun Friday-more information to come!

1 Corinthians 13:4-8-The Qualities of Love

It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres.
Love never fails.
