

# Voice Lessons

**Taught by our own Music Teacher  
Claudette Peterson Kline**

**Claudette offers group singing classes for ages 6 – 8.**

**In addition, Claudette is offering private voice lessons for those aged 8 and above.**

**After a celebrated career as a leading soprano in major opera houses across America, in Canada, and throughout Europe, she has spent the last 30 years passing that knowledge, experience and joy of singing on to young singers through high school. Over 90 of her students went on to study at Colleges of Music and Conservatories across America. And many have had professional careers in Opera, on Broadway, and in National Touring Companies.**

**She incorporates her own professional singing experience with solid vocal technique. The result of this is making each singer sound their best.**

**There is a vocal recital in June for her private students here at Church of the Savior. Claudette teaches all of her lessons and classes here at The Church Of The Savior.**
