DIAPER DRIVE

January 11—February 11

As part of COS' mission to care for all children, we will be collecting diaper donations from January 11 until February 11. All donations will be given to **BABY BASICS**, a program of Bergen County Children's Aid and Family Services, which provides essentials for babies of working families in Bergen, Passaic and Essex Counties.

Diapers are one of the biggest expenses for young families and we hope to lift some of the burden of that expense
